

**Samantha Blackburn**  
**Director's PA**

Originally from South Africa, Sam started working at LIDC in December 2007. Her previous jobs include working for a year at the Teaching Support Office at the **London School of Hygiene and Tropical Medicine** (LSHTM) and two years at the **Service Delivery and Organisation (SDO) Programme**, part of the NHS' National Institute for Health Research (NIHR). Sam is a PA by day and a DJ by night, specialising in electronic music.
